

**The Secret Life of Redwoods:
How do coast redwoods grow
so tall?**

My Life as a Tree

Name: _____

**Sempervirens
Fund**

**CALIFORNIA
ACADEMY OF
SCIENCES**

As a tree grows, so do their rings, making the tree wider and stronger with every year of growth. One ring represents one year of life. If your life were a tree, your birth being the center ring: How many rings would your tree have? What major events would impact the rings?
